

# Release

## Ancestral Agreements & Contracts

With the full power vested in me by Divine sovereignty, I invoke my free will and authority to cancel and release all contracts that state:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

I declare these contracts and agreements null and void, in this incarnation, and all incarnations, across all dimensions, and all space time realities. I release all negative thought forms, templates, matrices, and cellular memory. I break and release these limiting beliefs, assumptions and blockages now.

I am free. I am divine. I reclaim my natural power and co-create my reality with Source. I now affirm:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Sworn on this day, \_\_\_\_\_

Full Name: \_\_\_\_\_
